Number Challenge Games Set C1

Toddler - 2st grade/3 yrs - 7 yrs

Description:

Set of 4 Number Challenge Games

Number Challenge maths board games will help children practise their number skills and develop their mental strategies. They encourage speaking and listening in maths and enrich the mathematical learning of children who lack confidence in recalling and figuring out number facts. They are exciting, fun to play and ideal for the classroom, maths club or games library. Also ideal for the extended school day.

The games in Set C will help children with their 6 and 7 times tables and multiples to 36 and to 100.

Includes:

- 4 boxed board games, plus equipment
- Teachers' notes

Inside example: http://beam.co.uk/uploads/pdf/1236010613_GFVC.PDF

ISBN/Product code : 978 1 9031 4260 8

Price: 129.85 USD

Number Challenge Games Set B1

Toddler - 2st grade/3 yrs - 7 yrs

Description:

Set of 4 Number Challenge Games

Number Challenge maths board games will help children practise their number skills and develop their mental strategies. They encourage speaking and listening in maths and enrich the mathematical learning of children who lack confidence in recalling and figuring out number facts. They are exciting, fun to play and ideal for the classroom, maths club or games library. Also ideal for the extended school day.

The games in Set B will help children with addition and subtraction to 24, subtraction to 20 minus 20, doubling and halving to 40 and the 3 times table.

Includes:

- 4 boxed board games, plus equipment
- Teachers' notes

- Geometry & measurement
- Algebra & functions
- Fractions
- Data analysis & probability

Price: 49.95 USD

Math Journal - Gr. 4-6

4th grade - Teacher/9 yrs - adult

Description:

100-page journal gives students their own space to solve problems, record concepts and explain their mathematical thinking...and comes with handy reference tips printed inside! 6 3/4" x 8 1/2".

Targets standards in these areas:

- Mathematical processes
- Representing math concepts in written form

Price: 2.95 USD

Math Dice Tub

Pre-k - 5th grade/4 yrs - 10 yrs

Description:

Our tub is packed with 90 dice in a variety of styles, including polyhedron dice in 5 different shapes, number dice, dot dice, fractions, operation signs...even blank dice! With a guide.

Targets standards in these areas:

- Using chance devices to explore probability
- Expressing probability as a fraction
- Operations

Price: 22.95 USD

Magnetic Fraction Circles

3rd grade - Teacher/8 yrs - adult

Description:

Fraction concepts are easy to understand—with realistic magnets that provide plenty of practice! Perfect for hands-on exploration and a variety of skill-building math activities, these easy-to-use manipulatives stick to any magnetic surface. Set includes 9 color-coded fractions sets, from wholes to twelfths. Whole is 3 3/4" in diameter.

Targets standards in these areas:

- Fractions to twelfths
- Identifying fractions in circle form

Price: 10.95 USD

Magna-Tiles

Toddler - 5th grade/3 yrs - 10 yrs

Description:

Our translucent magnetic tiles give children a fun, hands-on way to explore colors and shapes...as they build! Easy-grip plastic tiles have magnets safely built right in, so they stick together from every side—for endless building possibilities. Set of 32 pieces; large square is 6".

Price: 49.95 USD

Lakeshore Starter Cash Pack

Pre-k - 5th grade/4 yrs - 10 yrs

Description:

Give your students hands-on practice counting money, making change and more...with our super-realistic money set! You get 100 bills (45 ones, 20 fives, 20 tens, and 15 twenties), plus 100 plastic coins (30 pennies, 20 nickels, 26 dimes, 20 quarters, and 5 half-dollars). They're the perfect way to introduce or reinforce essential money skills!

Price: 6.99 USD

umbo Magnetic Numbers & Counters

Toddler - 2nd grade/3 yrs - 7 yrs

Description:

3 ducks and 4 ducks equals 7 ducks...these cute counters make it a cinch for kids to visualize quantities! You get a set of 100 soft foam counters with magnets on the back (20 each of 5 different designs)—perfect for counting, sorting, patterning and problem solving. Apple is 2 1/4".

Price: 29.95 USD

How Long Is It? Measurement Center

Toddler - 2st grade/3 yrs - 7 yrs

Description:

Kids measure tables, pencils, even classroom friends—and get an instant, concrete grasp of length & width! Our skill-building center features 24 activity cards with simple, illustrated instructions that are just right for beginners...plus all the manipulatives kids need to complete each activity—from snap-together inchworms to measurement feet! With 130 manipulatives & a wooden card stand.

Price: 29.95 USD

Hands-On Sorting Center

Foam Dice

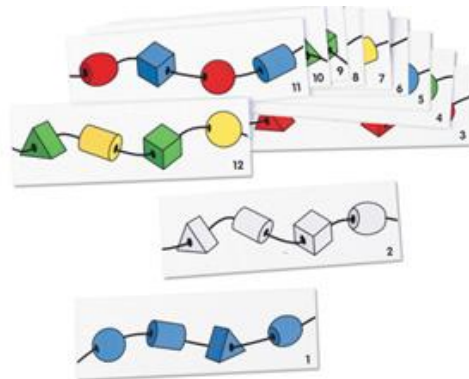

Pre-k - 5th grade/4 yrs - 10 yrs

Description:

144 foam pieces include traditional dice, plus dice with operation signs and numbers 1-6. 3/4" each

Price: 26.95 USD

Bead Patterning Cards

Toddler - Kindergarten/3 yrs - 5 yrs

Description:

Our activity cards feature super-simple bead patterns—perfect for building patterning skills! You get 12 double-sided cards that increase in difficulty, so kids stay challenged as they perfect their skills! Each card is approximately 6" long.

Price: 3.99 USD
